

Infoshred Welcomes Scott Cremens as Business Development Manager *Cremens to Bring Sales, Military Experience to Leading New England Company*

East Windsor, Conn. (August 19, 2014) . [Infoshred](#) . an award-winning, Connecticut-based company devoted to secure off-site and on-site document destruction and document storage . is pleased to welcome Scott D. Cremens as Business Development Manager.

As Business Development Manager, Cremens will be responsible for bringing on new accounts and helping clients meet their HIPPA and FACTA requirements and compliance needs. Cremens will also work closely with Infoshred's internal customer service department, dispatch and the end client to ensure "extreme customer service" with every interaction.

Cremens brings over a decade of sales experience to the job. His expertise includes sales assistance, sales support and broker/agent recruitment and development. Prior to joining Infoshred, Cremens served as a regional brokerage manager at GoGetDI.com Regional Life and DI Center at Ameritas. His prior experience also includes: Disability Sales Consultant at MassMutual Life Insurance Company and Intelligence Analyst, Sergeant E-5 for U.S. Army Military Intelligence.

As an Intelligence Analyst, Cremens was responsible for supervising, coordinating and participating in the analysis, processing and distribution of strategic and tactical intelligence, including maintaining systematic, cross-referenced intelligence records and files, and storing and retrieving intelligence data using military computer systems.

Infoshred is a premier provider of [security](#), compliance and customer service and fits seamlessly with my experience,+ Cremens said. I am eager to step into my new role and provide our clients with total document lifecycle management, security and service.+

Scott is a great addition to the Infoshred family,+said Stacey DiPiazza, owner, Infoshred. He has an excellent grasp of the sales process and has hit the ground running. With Scott's extensive military and sales background, our clients are sure to benefit from his commitment to providing the ultimate level of security and service.+

Cremens holds a BA in History from Worcester State College.

He lives in Simsbury, Conn. with his wife Lauren, daughter Lily and son Colin.

Since opening in 1993, Infoshred has cemented its reputation as an exclusive high-security facility for [document destruction](#) and [records storage](#) services.

Infoshred is located at 3 Craftsman Road, East Windsor, CT. For more information, please visit www.infoshred.com or call 888.800.1552.
