

CT DEEP Electronic Recycling

Infoshred operates the only shredding facility in CT to hold a State of CT General Permit to Construct and Operate a Commercial Facility for the Management of Recyclable Materials and Certain Solid Wastes. **Permit #04701232-CGP-FG.**

Is your current vendor permitted? [Read More](#)

Pressed for time? You can now bring your material to us at your convenience.

Customer Drop Off scheduling is now handled through our website through an outside scheduling vendor making it easy and seamless to book a date.

Visit www.infoshred.com/customerdropoff to schedule a time to bring your confidential or e-recycling material to us.

Watch your inbox for our Customer Feedback Survey

We are in the process of long-term planning focusing on your current and future needs. First Experience Communications, a market research firm, will be assisting us with this effort. Your input is extremely important to us! Please look for the short confidential survey arriving in the next few weeks.

Fall Clean Up

Just like spring, fall inspires a fresh start! If it is time to purge your files in the run up to the end of the year contact us to schedule a [Purge Service](#)

We currently have a great deal of availability on Nov 11th due to Veteran's Day.

And if you're running out of room for storage don't forget our [Records Storage](#) services starting at just \$50.00 a month.

FRANK'S CORNER

Frank, Mascot & Supplemental Security Officer and French bulldog, is sorry to report there has been a new development in staffing species diversity. Molly the new office feline is all ready to help man the phones.

AmeriCares Fundraiser

September 17 we destroyed over 327 boxes of outdated records from 26 medical practices. This was the 8th shredding event sponsored by the Fairfield County Medical Association with assistance from InfoShred. The event raised \$2,220 for [AmeriCares Free Clinics](#).
